Dear Parents,

The firm determination & progressive outlook of the Principal has completely changed the pattern of education in the collegiate. Now education is not the responsibility of the teacher but guardian's cooperation is also required for achieving the desired results. For the academic upliftment of the child, some guidelines for the parents & instructions for the students are as follows:-

1. Tests will start from 17th of June 2019.
2. School timing form 17th June 6:30AM to 11:30 AM
3. These are not summer holidays, students have to prepare for I term Exam.
4. Required attendance is 80%, so regularity and punctuality is a must.
5. Leave in urgency must be prior sanctioned by the principal / Incharge.
6. Weekly report in diary must be signed by the parents daily.
7. Pay attention towards the health and give nutrition's and balanced diet to your ward
8. Parents of X and XII should not go out of station during the whole session
9. A child should get up early in the morning at 4:30 AM for studies.
10. Do practice of numerical daily.
11. Provide peaceful and healthy environment to your ward for studies at home
12. Avoid watching T.V., Mobile, friendship and party.
13. Study on the table and chair
14. Parents should check the studies of their ward at home regularly.
15. Students should not take tuition from school staff.
16. Students below average will stay after the school for remedial classes i.e. 2:30 PM to 4:30 PM from 1st July, send your ward in proper and neat uniform daily.
