Guidelines for Tests and Examinations

Dear Parents,

We are pleased to inform you that the result of Avadh Collegiate session 2020-21 is extremely encouraging as well as one of the best result of Lucknow in both the boards C.B.S.E and U.P.

With God's grace and parent's co-operation in such a pandemic situation, Avadh Collegiate has succeeded in all its online academics and co-curricular activities, time to time done.

Avadh Collegiate is the only institute which charges moderate fees and provides excellent facilities in terms of quality based education, best infrastructure, best online classes and best result during lockdown.

Due to COVID 19 pandemic caused almost all schools to function in a virtual mode for most part of the academic session of 2020-21. Due to the extreme risk associated with the conduct of Board examinations during the second wave in April 2021, CBSE had to cancel both its class X and XII Board examinations of the year 2021 and results were be declared on the basis of a credible, reliable, flexible and valid alternative assessment policy. This, in turn, also necessitated deliberations over alternative ways to look at the learning objectives as well as the conduct of the Board Examinations for the academic session 2021-22 in case the situation remains unfeasible.

Keeping in mind the circumstances faced in the session 2020-21, CBSE Board has come up with the new Guidelines for the betterment of your child's future and Board continued to focus on assessing stipulated learning outcomes by making the examinations competencies and core concepts based, student-centric, transparent, technology-driven, and having advance provision of alternatives for different future scenarios, the following schemes are introduced for the Academic Session for Class X and Class XII 2021-22.
